Since you are holding in your hands a truly phenomenal issue of JUST 18, we're gonna go ahead and assume that you are ready to be tantalized by tons of tight teen tail. If, for some inexplicable reason, you are not quite prepared for the onslaught of sweet, pliable poon that awaits you just a few pages away, then you had best brace yourself but quick. That's because we searched far and wide for outstanding females in order to present to you only the wettest and most willing, freshest and youngest sluts this side of legal. In other words, these babes represent the choicest collection of tender cooze available to beat your meat to. Fine-tune your skin flute to the likes of the succulent brunette Zafira toying with her hidden holes, the petite blonde tartlet Suzan fingering the fuck outta her fun hole, hot-bodied Mandy giving her guy a little T&A along with her V, randy roomies Candy and Lana crossing each other off their collective "To Do" list, the insatiable Vanessa getting her bones jumped by John and ooooooh so much more! Pull your pud outta your pants and give it some room to plump up—you are about to be confronted with an incredible assortment of gam-spreading girlies who are all hot, all horny and all—always—JUST 18!

HOT LITTLE MAMAS

Dear JUST 18: I have so many questions. First of all, how on earth do you find so many hot little mamas? Not only do you manage to find a great number of beautiful 18-year-olds, but each and every one of them is loose! It is truly amazing. It boggles my mind. It stiffens my prick. I see plenty of beautiful women of all ages each and every day—the world is lousy with them. But I'd be willing to bet not a single one of the ones I encounter would be willing to display their body in the manner that the models in your magazine display themselves. How do you locate so many hot sluts? I am not a greedy individual. All I want is one little hot slut all for myself. I do not need more than that. Well, maybe two of them for special occasions like my birthday and stuff.—Vernon from PA

SPLITTING THE PEACH

Dear J18: All I can think about when I look at the photographs published in your magazine is how much I'd like to get in there and tear some of those asses up. I am, how shall I say it, well-endowed. Women that have been around the block more times than the ice cream man sometimes have difficulty taking everything I have to offer. One of the tight-ass little pussy holes from your publication wrapped around my dick would feel so exquisite I can almost imagine it now. I would be gentle and use plenty of lubricant. I am not in the business of hurting nobody, let's get that one thing straight right from the get go. BUT I do like me some tight pussy. What man doesn't? How I would love to split one of those just-ripe peaches apart...Mmmm! I'd lick the shit out of her clit first because I've found that's the best way to generate lube the natural way. Then I'd ease on in and away we go! Pow.—Shawn from GA

WINSOME GIVERS OF WOOD

Dear JUST 18 Magazine: You are one of my favorite adult magazines on the market. I don't purchase pornography all that often, but when I do I almost always select an issue of JUST 18 to take and enjoy in the privacy of my own home. The young ladies (can sluts be called ladies?) you feature always consistently give me a boner that I stimulate with a well-lotioned hand until I reach completion. I have tried other magazines in the past but despite the naked state and lewd antics of the models depicted, I have often found myself unable to become fully turned-on despite my best efforts. I thank the winsome quality of young women in the photos your print for give me wood every single time. Thanks JUST 18!—Barney in S

DUDE, THAT'S SO GROSS

Dear angels: You are all such enchanting creatures I am utterly beside myself with longing and adoration! I would like to stick a finger deep inside each and every one of you to tickle you from the inside. You would giggle giggle and then ooze some joy juice onto my hand which I would then lick up with a grateful smile. Thank goodness for little eighteen-year-old girls!—Jimmy from NC

YOUNG AND FRESH

Dear J18: This is the first time in my entire life that I have written a letter in to a magazine. But I just had to jot a quick note to comment on the fantastic quality of the pussy you print. All of the models posing for you look legitimately young and fresh, not old and blown-out just pretending to be young. I want you to know that it makes a huge difference, your readers can tell and appreciate what you are doing. Good work.—Ben in TX

DOCTORATE IN STARFISH

Dear JUST 18: I am totally crazy about every single last one of the delicious teenage twats I see in the pages of your magazine. I am a vagina expert and I can definitely tell a good one from a bad one even from just looking at a photograph and I can say that I have studied every single vagina closely that you have published a photograph of and they all are premium quality. I have even gone so far as to study closely every single butthole, and those are pretty OK too. My vagina expertise does not really extend to the

realm of buttholes but I figured that I might be able to size up a quality orifice better than a mere layperson who has no real expertise whatsoever so that's why I decided to weigh in on the asshole issue.—Brian in WA

Zafira

I'm a very sunshine-y person. I like thinking happy thoughts, surrounding myself with bright colors and doing stuff to make myself feel good. Naked stuff. I love to lock myself inside my bedroom and strip off every stitch of clothing...well, almost every stitch. I usually keep my socks on because my toes tend to get cold every time I have an O! It may sound weird but it makes sense if you think about it. When I suck on my fingertip to make it nice and soft and use it to trace slow circles around my clitty then gently pinch my nipples before dipping the tip of my slender red vibe into my slit and starfish over and over again until I cum, well obvi that causes a lot of blood to rush directly to my super sensitive snatch. Which leaves me with a warm, wet box but chilly tootsies. So that's why I sex myself up in socks! 

Gotta mind

O's!

LET ME BE YOUR FLOOZIE!

by Cassie Quixton

Damon and I were fooling around on my couch. I go to college, but live at home. Luckily my parents were gone for the whole afternoon into the evening so we really could have done anything we wanted, but I was always putting the brakes on. We were still mostly dressed except for our socks and shoes, although my breasts were showing because Damon had pushed up my top and was sucking on my nipples. I was rubbing Damon's penis through his jeans, not the bare thing itself. Suddenly he sat up and said, "I think I wanna break up, Cassie. This is no good. You're making my balls blue."

"But Damon, I just need time—"

"It's 2012, girl! You're gonna be nineteen one of these days! Time is goin' and I'm goin' too." He reached for his socks, started fumbling with them.

"Damon, I'm just not like the other girls. Haven't I made you feel good anyway? Why are your balls blue? You cum when you hump me, don't you?"

"Yeah, but when a guy doesn't feel the actual thing around his bone, the girl's pussy I mean some blue seeps into his balls."

"Where did you hear that, Damon? That is the dumbest thing." I stood up and paced around the room in my new

strappy heels. I pulled my top down and I was still wearing my short-shorts.

Damon stopped pulling on his sock and threw it down on the carpet. "Oh dammit Cassie, why couldn't we live in the Age of Floozies?"

"The age of what?"

"The Age of Floozies. My old Uncle Irv is always talkin' about 'em. He says that when he was our age, there were girls who were floozies and you knew it. And they delivered what a man wanted."

"That's a prostitute, you mean."

Damon stood up and lit a cigarette. I was always telling him to stop smoking; maybe I shouldn't have, that was acting like a mother. Anyway, I'd have to spray something to clear out the tobacco smell before my parents came home.

"No Cassie, a floozie according to Uncle Irv, was a woman who wanted to have a good time too and she dressed like it, and she acted like it, and she made a man feel like he was right for wanting her. You wanna puff?"

"Would a floozie puff?"

"You know I think Uncle Irv said floozies always had butts dangling from the sides of their mouths."

I didn't like to smoke but what the hell. "All right, let me be your floozie. Is this better?" I stuck the butt between my lips and put my hands on my hips.

"Yeah, that's right. Look tough. That's what floozies did. Uncle Irv showed me a picture on the cover of an old paperback book about some detective named Mike Hammer."

I put the cigarette out. "No, I feel stupid."

"Ah, Cassie, you're too serious. Too much studying, too many ambitions, and you never have time for the fun things."

"Just because I'm not ready to fuck you?"

"What are you waiting for?"

Good question. I looked at Damon.

He was a nice looking guy. I liked running my hands over his chest and his back and in his hair. He had a cute ass but I wouldn't let him take his jeans off or his shorts. I wasn't ready for his penis yet.

"I asked you something, Cassie. What are you waiting for?"

I didn't know. I just felt confused by the power of sex, that was it. I'm slow with a lot of things. Slow learner, slow reader, slow walker, slow eater. But when I get going, I pick up speed.

"You think I'm silly?" I said, running my fingers over my top and feeling my nipple harden.

"My balls do. I try to understand you, Cassie, really I do, 'cause I like you, but my balls say another thing. Balls got brains too, Cassie. Someday science will prove that."

"Oh Damon, that is the silliest—"

He threw up his hands. "Okay, I tried." He sat back down on the couch and started pulling his socks on again.

Maybe he was right. Maybe I was feeling a little blue in my clitoris, too, come to think of it. Maybe I had to start living a more balanced life. Maybe there was a time to be serious and study and get on the dean's list freshman year; but maybe there was a time to be a "floozy" too.

I almost had the feeling Uncle Ivy was in the room with us. I'd seen a picture of him once at Damon's house. bald guy, fishy kind of eyes, fedora hat.

"Damon—?"

He finished tying his shoes. "What?"

I picked up his pack of cigarettes from my desk, tapped another one out, and put it in my mouth. "Got a light, stranger?"

Damon laughed. "Sure." He flicked the flame on the Bic he carried in the change pocket of his jeans.

I inhaled slowly into my mouth, but not down my throat. There was a limit. Then I looked closely at Damon and let the smoke drift out slowly from my lips, and I said, "Let me be your floozy."

I moved the cigarette from my mouth to Damon's, and then while he smoked, I undid the buttons of his shirt. Okay, so this was going to be my first time with full sex. Why not? There was something cool about acting like a floozy after all.

I ran my hands over Damon's chest, played with his nipples, and then I took the cigarette out of his mouth and stubbed it out on the ashtray on the end table. I climbed on top of him and kissed him like I thought a floozy should. Deep and hard with lots of tongue. At the same time I ran my hands up to his hair and then down

along his arms to his hands. I took his fingers in mine and then I pinned his hands against the couch next to his sides. I was the floozie in charge.

"Is this the kind of girl your Uncle Irv had in mind?"

"I don't think he would kick you out of bed, if that's what you mean!" Damon wet his lips and his eyes were almost bulging.

I slid down to the front of his jeans and unzipped his fly. I tugged the pants down and his hard penis poked against the front of his shorts. I pulled the shorts down and his boner sprung out at me. For the first time, I took it in my bare hand. It wasn't the first time I'd ever had a penis in my hand—I had a different boyfriend before Damon for a few months, and I experimented with handjobs—but it was the first time I had one in my hand and actually intended to do all the things you could do with it. I lowered my eyes and held it in front of my mouth. "I'm going to be the best floozie you could ever want." And then I slid my lips onto his gooey and oozing erection, feeling its veins and satiny smooth tight skin against my tongue and all the way to the back of my throat. I almost gagged, but I took a deep breath so I wouldn't. I didn't think a floozie would gag, not

an old school floozie like Uncle Irv would have talked about.

I sucked Damon like that for a long time, moving my head up and down. I did it while I pulled off my top and slid off my shorts. By the time Damon looked like he was almost ready to cum, I was naked. My nipples were like stones.

"Oh Cassie baby!" he cried and then with a burst of strength he scooped me up and lay me down underneath him. I really liked that; I guess that's the kind of move that floozies enjoyed. There I was, naked underneath him, and his cock was pointed hard and wet right at my vagina, wet from my mouth and wet from leaking the way guys leak; and then I lifted my legs up and wrapped them around his back and pulled him inside me just as he was about to do it himself.

"Let me be your floozie!" I gasped while he fucked. "Let me ALWAYS be your floozie!"

I closed my eyes and felt Damon hammering into my pussy—and that's what I was calling it now, a floozie wouldn't say "vagina," would she? "Fuck my floozie pussy, Damie," I said, calling him a pet name, "fuck your floozie, Damie, your floozie needs it bad!"

Damon laughed, but not at me, but with me. Because I was laughing too, before we got all serious and there was only the sound of our panting and the squeak of the couch springs. There was something so funny how a word could unlock whole worlds like this, a silly word maybe, an old word from an old guy, but I liked being a floozie and it felt good being fucked like one. Or at least how I imagined a floozie would be fucked.

"OH DAMIE!" I screamed, cumming for the first time on a cock inside me. "OH DAMIE I'LL NEVER BE ANYTHING BUT YOUR FLOOZIE!" Boy was I happy my parents were miles away at my dad's company picnic!

Damon pulled out his cock just at the right moment, when I was still shaking from exploding on him. I looked at his stiff meat as it shot its creamy white stuff all over the place, all over my breasts, all over my hands, all over my face; and his boner was a bright and glorious fleshy pink from the tip to the balls, with not a trace of BLUE anywhere!

I decided that no matter where I'd go, no matter what I'd become, I would always stay a floozie deep inside my heart from then on. It seems a good way to be! ☺

VANESSA & JOHN

It's no secret that sex-wise I am kind of a greedy girl. I want cock and lots of it. I mean, I have three hungry holes to feed, you know? A few guys I've been with won't get with me a second time because they say I'm too demanding in the sack. Good riddance, I tell them. I say, if I wanted to fuck a pussy I'd bang a chick. Thank goodness for John, he totally gets me. He dicks me deeply for hours on end and doesn't ever complain. Now THAT'S what I call a stud! He moves his pecker from my mouth to my vage to my butthole and back again, all the while making me wail like a banshee. He can go forever before needing to pop, and meanwhile I have so many O's that my crotch feels like it might turn to jelly. I always have a cup nearby when he squirts so I can catch whatever my mouth missed and drink down every last drop. 🍷

Being blonde and beautiful is no real biggie but I do get a lot of attention all the time. Which is okay because I like it when people look at me. Not only men, but women too. I've been with both, believe it or not, and even one of each at the same time! That threesome was so wild...to this day remembering it still makes me wet. In fact, that's my favorite fantasy to think of when I close my eyes and have myself. I can still feel her sucking on my pink little nipples while he crammed me full of cock. Whew! Good times! But don't get me wrong. I am not a total slut or anything. I'm actually a very good girl with a few minor exceptions. That ménage à trois was more of a major exception I guess but wow was it delicious. Mmmmm I can't stop thinking about it. One, two, three—here I cum!

This hottie likes taking two on at a time!

While some girls name each of their titties individually, I just call mine "The Boyfriend Stealers." Having a decent rack rules. It means that I never have to try too hard to get laid, which is awesome 'cause when I'm raring to go the last thing I want to do is waste valuable fuck time having to coax some stud into sticking it in. One of my regular hook-ups is this guy John. He's great—handsome, hung and ready to get it on whenever I am! He used to date a friend of mine but one day he got a peek at my snuggle pups stuffed into a bikini top at a pool party and he's been plowing me instead ever since. I let him put it wherever he wants—my mouth, my pussy, my ass—but he always wants to finish things off by glazing my angel cakes. I don't blame him—I'd cum on them myself if I could!! 🍷

My own body really gets me off. My skin is so soft that I could run my hands from my head to my toes literally all day long. It's true that my ta-tas are tiny but the incredible sensitivity of my nipples more than makes up for what my boobies lack in bounce. My booty is juicy enough so that when I grab it my fingers sink in just a little bit. And my cheeks really jiggle when I'm spanked!

Between my thighs is the smoothest, softest, sweetest peach and I always keep a little bit of fuzz on it up top. Deep inside, my girl honey is nice and gooey and it doesn't take much to keep me moist. I'm bendy and like to spread my legs apart real wide while pointing my pussy up to the sky. I can cum multiple times in a row from just flicking my bean. OOOOh yeah. 🍑

She's oozing
with self-
cumfidence!!

CANDY

LAND

My roomie Candy is totally crazy. I mean, this girl just doesn't give a fuck! She sets up camp and plays with herself right in the middle of our living room—I totally walk in on her all the time. Thing of it is, she's gorgeous with a killer bod so whenever I catch her diddling her skiddle I wind up joining in. I'm pretty sure she plans it that way because she always has two dildos ready to go! Whatever, I'm down. Candy kisses my cunny better than any of my boyfriends ever have. And when she moves that plastic penis in and out, well it feels just like the real thing. I do my best to fuck her back as good as I am able and I must do her okay from the way her thighs tremble. Life has basically been one big, wet climax ever since I moved in with Candy! ☺

Hey
ladies! It's
the living
room, not
the lezzing
room!

& TOD

My favorite thing to do in the whole entire world is to ride my boyfriend. He's baloney pony. We work on a farm and every time I go visit him we end up banging in the barn. They keep horses in there and there's something about being around such strong, powerful beasts that makes me want to drop trou and do it. Tod's with me on this sometimes he protests that we should go back to the bunkhouse but when I touch him he's always got at least half a chub. So he pushes me right up against the wooden fence of the stalls and gets me out until I beg him to stick his thingy deep inside of me. So he turns me around and humps me from behind until I cum like crazy and then he takes his cream-coated cowboy hog into my buns. When he's ready to blow he squirts his spunk right into my mouth. Giddy
